Places I've traveled with Soccer

All over the United States!

Name of my first soccer team:

East Side Soccer in Syracuse, NY

Best memory from 2007 Regionals:

My first goal in the finals. Under a minute into the game... My teammate, Michaela, passed the ball to me. My best friend, Lex, moved near far post (just in case). We set up quickly. I moved up the wing and caught the goalie by surprise! Rhode Island was the one and only team that beat us in the preliminaries, and we wanted to win. We were pumped!!!!

Why I want to be a national champion:

For me and most of my teammates soccer is the first thing we think about when we wake up, and the last thing we think about before we go to bed. It would be a huge honor to become a National Champion! Last year, we were the first girls team from New York West to ever win a US Youth Soccer Regional Championship. We won't be able to advance to the US Youth Soccer National Championships until we are U14, but we are practicing for it, and we'll be ready when the time comes!
